Arosa & Cerreto 140

A modern electric fireplace with a glowing fire and logs. The fireplace is sleek and minimalist, with a dark frame. The fire is bright orange and yellow, with several logs in the foreground. The background is a dark, textured wall.

instant ambience, **easier than ever**

The new Gazco Arosa and Cerreto 140 are sleek electric fire suites that can be installed almost anywhere. These modern suites can be either wall or floor mounted with ease, requiring little more than simple fixings and no additional building work.

simply plug in, and enjoy!

Both offering an ultra-contemporary aesthetic, choose from the subtle profile of the Arosa, or the more elliptical curve of the Cerreto. Depending on your installation preference, opt for either the wall-mounted version, or floor-mounted model that comes with a floor mount plinth in a complementary grey finish.

complete control

For quick and convenient control, the Arosa and Cerreto 140 come with our programmable thermostatic eco handset. This easy-to-use remote control puts each suite's range of visual effects at your fingertips, from your choice of flames, to lighting colours and brightness settings.

The eco handset also gives you the freedom to set your desired room temperature, as well as program daily and weekly heating schedules.

chromalight LED systems

Arosa and Cerreto models feature immersive downlighting as well as floor-lighting to enhance your experience, plus a mesmerising flame picture. Glass burnt embers and a life-like log effect add realism, illuminated from below by Gazco's Chromalight® LED technology in a myriad of colours.
