ALCHEMY DFE GAS FIRES

DFE (decorative fuel effect) gas fires can be ordered to suit Chesneys range of fire baskets and dogs. Guide prices are listed below, but please contact Chesneys to obtain prices for specific baskets.

As with all DFE gas fires, a minimum flue diameter of 7" is required. Any unlined masonry chimney must be tested for soundness in accordance with Document J of the Building Regulations. A permanently open air vent with a minimum of 100cm² will need to be installed into the room. There are also restrictions on the fireplace opening size that a DFE gas fire can be installed into.
