2023 COLLECTION

Welcome to our extensive collection of exquisite quartz stone products.

Our carefully curated assortment encompasses a variety of stunning stone slabs, each belonging to a distinct category, enabling you to find the perfect match for your desired aesthetic. Discover the beauty and versatility of our quartz stone products, designed to elevate your spaces with their exceptional quality and timeless elegance.

**MARBLE
COLLECTION**

STONE PROPERTIES

SIZE	THICKNESS	FINISH
3200 X 1600	20mm/30mm	Polished

Experience the grandeur and sophistication of our Marble collection. These quartz stone slabs beautifully mimic the luxurious appearance of natural marble, showcasing intricate veining patterns and a polished finish. Elevate your interior design with the timeless allure of classic marble.

The background of the entire image is a light-colored marble pattern with thin, irregular veins in shades of grey and beige. The veins are scattered across the surface, creating a natural, organic texture.

ARTEMISTONE®

BIANCO GILD

ARTEMISTONE®

ALIGHIERI

The image features a light beige or cream-colored marble background with intricate, flowing veins of gold and light brown. The veins vary in thickness and direction, creating a complex, organic pattern. In the bottom right corner, there are two white rectangular boxes containing text.

ARTEMISTONE®

VERSILIA

The background of the image is a detailed, close-up view of a natural stone surface, likely marble or granite. It features a complex, organic pattern of veins in various shades of beige, cream, and light grey, set against a darker, muted greenish-grey base. The veins are irregular and flowing, creating a sense of depth and movement. The lighting is soft and even, highlighting the subtle textures and color variations of the stone.

ARTEMISTONE®

MAIA

The background of the entire image is a detailed, high-resolution texture of a light-colored stone, possibly marble or travertine. It features a complex, organic pattern of veins and mottled patches in shades of beige, cream, and light grey. The veins are irregular and meandering, creating a sense of natural movement and depth. The overall appearance is that of a polished, natural stone surface.

VELOUR

The image displays a complex, organic texture of antique copper stone. The color palette is rich and varied, ranging from deep, dark charcoal blues and greys to vibrant, earthy browns and hints of reddish-orange. The texture is mottled and uneven, with darker areas interspersed with lighter, more coppery tones, creating a sense of depth and historical character. The overall appearance is that of a natural, weathered stone surface.

The background of the entire image is a detailed, high-resolution texture of a marbled stone. The pattern consists of irregular, flowing veins and patches of color, ranging from light greys and off-whites to dark greys and blacks. There are also some subtle hints of brown and tan, particularly in the lower right quadrant. The overall effect is that of a natural, organic stone surface.

ARTEMISTONE®

EL TEIDE

The background of the image is a light-colored marble with a complex, organic pattern of veins and mottled patches in shades of off-white, light grey, and pale beige. The veins are irregular and flow across the surface, creating a natural, stone-like appearance.
